## Aber was denn!

A group of seven individuals, led by Alvin Fuhrman, form the Board of Directors of Germanfest Incorporated. The group has made the commitment to giving Germanfest it's very own home in Muenster, complete with permanent structures that would allow the festival to grow and provide additional benefits to the local economy.

While a substantial amount of work has already been done, the plan requires the support of donors in order to complete the entire 60 acre site. We still need bridges, parking lots, and grounds

improvements. You can see the new pavilion on North Ash Street just across from the current Germanfest grounds. According to the Board, "This project would be a win-win situation for the Chamber and the community. With tourism being at the top of the pinnacle, a park such as this would not only enhance the community but would help to increase tourism to the area." If you are interested in helping us with our vision of a permanent home for Germanfest, contact the Muenster Chamber Booth located in the park pavilion or go to [www.germanfestpark.org](http://www.germanfestpark.org) for more information.
